GUDILLY SINGLE VINEYARD BAROSSA 2024 GRENACHE SHIRAZ MATARO

Gudilly is the next generation of Sorby Adams

Siblings Angus, Digby and Sally, share their father Simon's passion for quality wines that can also make life fun.

Their GUDILLY label – a blend of their names – is a mix of classic and emerging varietal wines made from single vineyards in South Australia.

Contemporary and drinkable, GUDILLY is sustainably made and with the next generation in mind.

TASTING NOTE

GSM (Grenache, Shiraz, Mataro) is a red wine blend that's a hallmark of the Barossa.

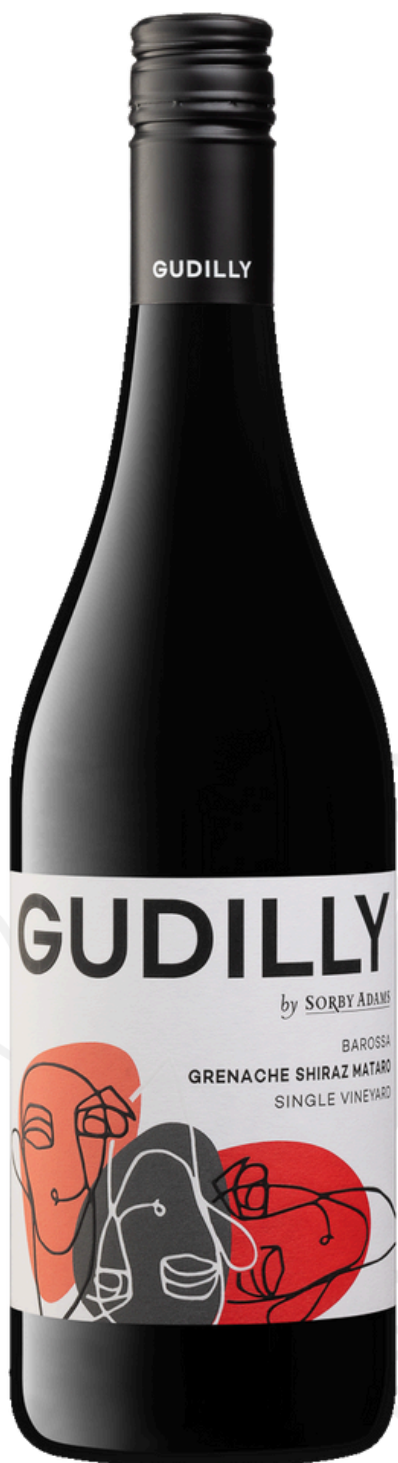

It combines the vibrant red fruit and spice characteristics of Grenache, the structure and depth of Shiraz, and the savory notes and tannins from Mataro.

The result is a wine with a unique character with dark berry fruits, spice, and a rich, flavourful finish.

Pairs well with bold flavours found in hearty casseroles and roasted meats.
