GUDILLY SINGLE VINEYARD 2024 PINOT NOIR

Gudilly is the next generation of Sorby Adams

Siblings Angus, Digby and Sally, each share their father Simon's passion for quality wines that can also make life fun.

Their GUDILLY label – a blend of their names – is a mix of classic and emerging varietal wines made from single vineyards in South Australia.

Contemporary and drinkable, GUDILLY is sustainably made.

Pinot Noir is a light to medium-bodied red wine celebrated for its elegance and complexity. It typically features red fruit flavors such as cherry, raspberry, and strawberry, often complemented by earthy, floral, and spicy notes. With its high acidity and low tannins, Pinot Noir offers a silky, refined mouthfeel.

TASTING NOTE

Bright and fresh, and a deep crimson red, Gudilly Pinot Noir is full of 'pinosity' charm, showing plummy and red cherry flavours, along with some gamey notes and subtle oak. Enjoy at your next weekend lunch with family and friends.
