GUDILLY SINGLE VINEYARD 2025 CLARE VALLEY FIANO

Gudilly is the next generation of Sorby Adams

Siblings Angus, Digby and Sally, each share their father Simon's passion for quality wines that can also make life fun.

Their GUDILLY label – a blend of their names – is a mix of classic and emerging varietal wines made from single vineyards in South Australia.

Contemporary and drinkable, GUDILLY is sustainably made.

Fiano is a variety originating in Italy. Similar in weight to Pinot Grigio and Semillon, it's best enjoyed young and fresh.

TASTING NOTE

An aromatic, medium-bodied wine with zesty lime, fresh rock melon, and green apple flavours, which seamlessly combine with natural acidity and a clean, savoury finish.

When pairing this wine to food, think Sicily – prawn risotto, fennel and orange salad, or grilled sardines.
