

GUDILLY

by SORBY ADAMS

SINGLE VINEYARD ROSÉ 2026

Gudilly is the mark of second-generation siblings Angus, Digby and Sally Sorby Adams – a fresh extension of their family's winemaking legacy.

They craft single-vineyard wines from varietals they love to drink, shaped by heritage, stirred by curiosity, and grounded in sustainability.

Tasting Note

This 2026 Gudilly Rosé brings red berry freshness, soft florals and a fine, textural palate. Crisp, dry and expressive with good balance, it's made for chilled glasses and easy enjoyment. Ideal with grilled seafood or antipasti.

Unmistakably Gudilly—crafted for the curious and ready to enjoy now.
