SORBY ADAMS LASSELL 2021 BAROSSA GRENACHE

Our label is a tribute to our ancestor John Couch Adams. With fellow mathematicians, he proved the existence of the planet Neptune in the 1840s. This spirit of discovery is in our winemaking, taking old traditions into the future with sustainable practices.

Lassell is one of the five Rings of Neptune. Grenache originates from both France and Spain and thrives in moderate to warm climate regions such as the Barossa. A wonderful food wine.
